HUNGRY?? Visit the Big Apple Café for Delicious Donuts, Apple Cider, Sandwiches, & More

Apple Variety Information

Early Season: August – Early September

- **Gala** Sweet and juicy. Great for eating and salads.
- **Ginger Gold** Early yellow apple that's sweet and mildly tart. Exceptional for eating and salads.
- **Honeycrisp** Sweet, crisp apples. Superb for eating and salads.
- **Jonamac** A sweet/tart flavor good for fresh eating.
- **McIntosh** Sweet and juicy with a tart tang. A classic eating apple and excellent for sauce.

Mid-Season: Late September – Early October

- **Cortland** -Sweet with a hint of tartness. Good for salads, stays white longer.
- **Crispin(Mutsu)** Sweet, very juicy and super crisp. A fine choice for eating and baking.
- **Empire** Tasty blend of sweet and tart. Ideal for eating and baking.
- **Early Fuji** Sweet, juicy, extremely crisp. An excellent apple for fresh eating.
- **Golden Delicious** Mildly sweet and juicy. Best for eating, salads and sauce.
- **Jonagold** Honey sweet with a hint of tartness and very juicy. Excellent for eating, salads, sauce and baking.
- **Macoun** Extra sweet with a mild, tart taste. Great for fresh eating and pies.
- **Red Delicious** Excellent for eating and salads.
- **SnapDragon** gets its juicy crispness from its Honeycrisp parent, and it has a spicy-sweet flavor and a long shelf life.

Late Season: October – Early November

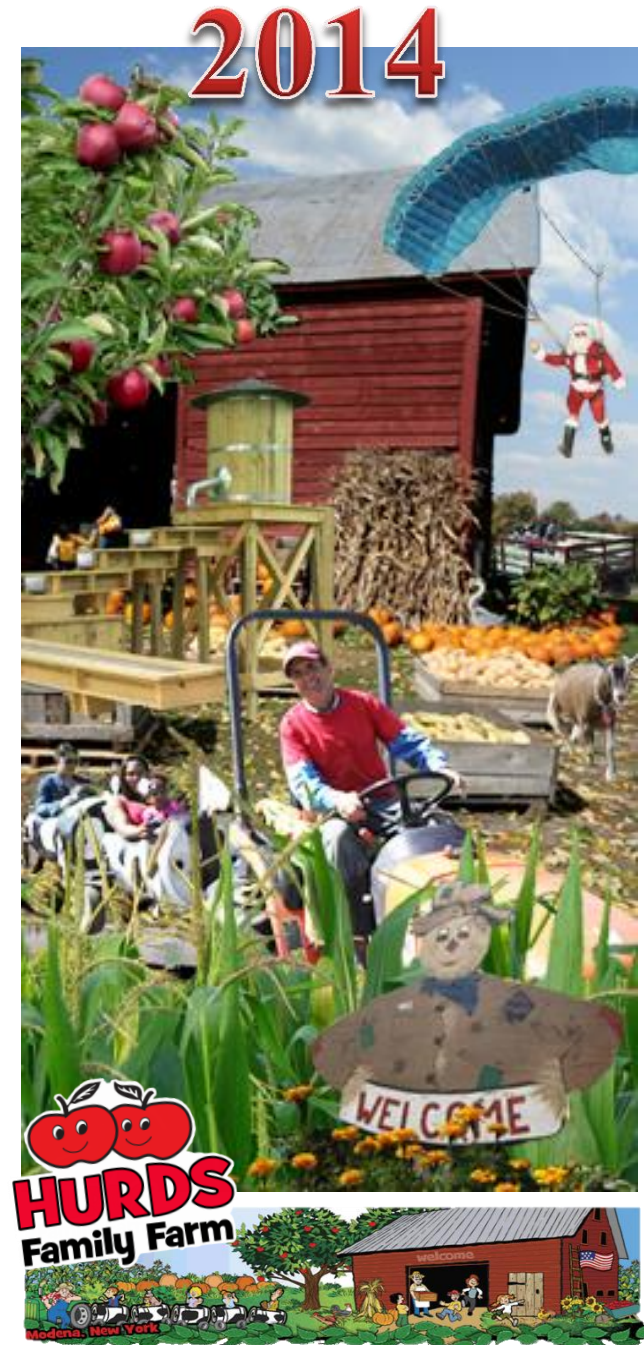

- **Fuji** Sweet, juicy, extremely crisp. An excellent apple for fresh eating.
- **Idared** Crisp with a sweet tart flavor. Great for pies and fresh eating.
- **Rome** Mildly tart flavor. Good for sauce, baking and eating.
- **RubyFrost**, which ripens later in the fall and stores well, can be compared to Empire and Granny Smith.

Thank You So Much for Visiting Us.

Come back with the family to toast some marshmallows, sip hot cocoa, enjoy holiday music, and select your perfect Christmas Tree. On Friday, November 28th Santa will sky dive with treats for kids.

Sign up on our website for event updates and coupons.
